PRAYER OF OUR HOLY FATHER FOR THE ECUMENICAL COUNCIL

O Divine Spirit, sent by the Father in the name of Jesus, Who dost infallibly assist and guide the Church, pour forth the fulness of Thy gifts upon the Ecumenical Council.

Kind Teacher and Comforter, enlighten the minds of our Bishops, who responding to the invitation of the Sovereign Roman Pontiff, will gather in solemn assembly.

Grant that from this Council there may come forth abundant fruits: that the light and strength of the Gospel may ever more widely influence human society; that new vigour may infuse the Catholic religion and its missionary task; that the Church's teaching may be better known and Christian morality more widely practiced.

Sweet Guest of our souls, confirm our minds in truth, and dispose our hearts to obedience, so that the decisions of the Council may find in us generous acceptance and prompt fulfillment.

We beseech Thee, too, on behalf of those sheep who no longer belong to the one fold of Jesus Christ, that they also, glorying as they do in the name of Christian, may finally regain unity under one Shepherd.

Renew in our time Thy wondrous works, as in a new Pentecost, and grant that holy Church, gathered together in unanimous, more intense prayer, around Mary, the Mother of Jesus, and guided by Peter, may spread the kingdom of the Divine Saviour, which is the kingdom of truth, of justice, of love, and of peace. Amen.

Rev. Walter A. Radziwon
St. John Vianney Rectory
Colonia, New Jersey

Reverend dear Father:

This is indeed a day of jubilation for St. John Vianney Parish, and I congratulate you on the culmination of your zealous efforts to provide suitable parish facilities for the faithful committed to your care.

It is a joy for me to be with you and your devoted people for the Solemn Blessing of St. John Vianney Church and School, as well as the new rectory, and I bless all who have in any way contributed to the success of this parochial endeavor. I know that the generous cooperation of your parishioners, their assistance and prayers have been a source of gratification to you in this undertaking.

The coming of the Bernardine Sisters to St. John Vianney Parish to staff your new school is likewise a cause of much rejoicing today, and I pray that their work among you will be abundantly blessed.

Devotedly yours in Christ,

+George W. Ahr

OUR PASTOR

A MESSAGE FROM THE PASTOR

Dear Parishioners and Friends:

This is a great day for the parish of St. John Vianney. After only three years, we are able to dedicate a 24 classroom school, a church which will accommodate approximately 1200 people, a fully equipped kitchen, and air-conditioned cafeteria which will seat 600, and a beautiful new rectory. At the same time we were able to purchase a large home which will be used as a convent for our sisters.

All of this could not have been accomplished without the interest, cooperation and sacrifices of many. But before anything else, we should be eternally grateful to God for the numerous blessings He has showered upon our parish and to our patron saint, St. John Vianney.

Our greatest and most interested friend has been our Most Reverend Bishop, George W. Ahr. From the first instant of our inception as a parish, he has followed our development with keen interest. It was through our Bishop's efforts that we were able to build what we have. He was primarily instrumental in getting a loan to enable us to proceed with the construction. He was always willing to see me at anytime despite a very heavy schedule and offer his help in any and all our problems. We hope and pray that God will give him the strength and health to continue in his paternal and efficient administration of the Diocese of Trenton.

A word of thanks to Monsignor Michael P. McCorristin, our Vicar General, for his interest and suggestions on our behalf. To Father Wilus, pastor of St. Cecelia's of Iselin, from which we emerged as a separate parish, go my personal thanks and gratitude and that of our entire congregation. He has been an inspiration and help to me at all times. It is sincerely hoped that the efficiency with which Father Wilus conducts his parish will somehow rub off on us and that we shall profit by his example and energy.

The entire parish is grateful to our assistant, Father William J. Kokoszka, now pastor of St. Joan of Arc in Marlton and to Father Edward D. Strano, now assistant at St. Anthony's in Trenton. May God reward them generously for their tremendous efforts while in our parish.

We are more than grateful to Father Pius Riffel, S. J. who was the first priest to help out on week-ends. To the Jesuit Fathers from Shrub Oak, and at Peekskill, N. Y. and to those from St. Francis Xavier of New York City who are assisting us at the present, we are grateful.

To J. Gerald Phelan, our architect, and to George N. Overath, Jr. the architect on the job site go our sincere thanks. In the frequent visits Mr. Overath paid us during the building progress, we came to value a great deal his sound advice, his interest and concern for our parish. We want him to know how much we appreciate his efforts.

Besides the architects, there were a host of contractors and sub-contractors. Especially would we mention Mr. Joseph Houseman, our general contractor. Through him we learned a lot of practical lessons and became acquainted with many wonderful people involved in the work. I feel we have found another true friend. We extend our gratitude to the Singer Company and Robert Singer and to the S. M. Electric Company and Peter Cheche, our prime contractors, who have also contributed their interest and fine work.

Finally, all this would not have been possible without the interest and extreme generosity of the wonderful people of the parish. From the very beginning, we have found courage and strength in the example given us by the parishioners. Their prayers and their financial help have made St. John Vianney what it is today. Weighed down with their own financial burdens, they nevertheless sacrificed again and again to bring about a fruition of their dreams. The buildings we dedicate so proudly this day, will be an everlasting monument to a people who were motivated by a deep love for their God and their Church.

To all who in anyway contributed to the success of our efforts, my profound gratitude, prayers and priestly blessings. They shall everlastingly be remembered in my prayers.

Sincerely and gratefully,

Father Radziwon

Reverend Francis F. Daily was born May 16, 1930 in Arlington, Massachusetts, son of Mrs. Helen G. Daily and the late Francis F. Daily. "To live in the midst of the world without wishing its pleasures; to be a member of each family, yet belonging to none, to share all sufferings; to penetrate all secrets; to heal all wounds; to go from men to God and offer Him their prayers; to return from God to men to bring pardon and hope; to have a heart of fire for charity and a heart of bronze for chastity; to teach and to pardon, console and bless always, My God, what a life! And it is yours, O Priest of Jesus Christ!" LACORDAIRE

THE BERNARDINE SISTERS, O.S.F.

We welcome very warmly the Bernardine Sisters to our parish, who will staff our new school in September. We were very fortunate indeed to have the Reverend Mother Chrysostom, O.S.F. Mother General of the Bernardines grant us the privilege of having three sisters sent to our parish to take up the duties of taking care of our youngsters. The shortage of sisters is well-known to every priest. Day after day prayers are sent up to heaven that God will grant more vocations to the sisterhood to face the tremendous population explosion that faces us. It is our sincere hope and desire that young girls from our parish will come to realize this shortage and enter the convent to help relieve the pressure and serve God and love Him in the most perfect way of all.

It was to help and give assistance to the United States following the greatest wave of immigration in the nineteenth century that the Bernardine Sisters were led providentially to this country. The Church was young and struggling in the latter half of the last century. The Bernardine Sisters had a long and distinguished life in Europe, ante-dating the discovery of the New World, for four and a half centuries they had sustained the life of the Church by their lives of contemplation and prayer. They survived famine and war; the Reformation had left undisturbed their lives of holocaust and immolation for those who sullied the Immaculate garb of the Holy Mother Church. When this holiest of Mothers called upon them for help in the active apostolate in the United States of America, they responded willingly. Five of their number were released from the cloister to inaugurate an educational work of the Bernardine Sisters in the great parochial system which is the pride and glory of the Church in the world today.

They came to eastern Pennsylvania from whence the call first came in 1894 and from here the Community consequently spread to the midwest and far west of the United States, to South America and to the continent of Africa.

Today they number over a thousand in the active apostolate. They teach in 90 schools; these include elementary, secondary, normal and nursing schools and colleges. They minister in 10 hospitals; care for abandoned children in four homes; serve the aged in one; help retreatants in two houses existing specifically for this purpose. In 1957, commemorating the five hundreth anniversary of their founding and in response to the appeal of the Supreme Pontiff, in tribute to the goodness of God Who has preserved the life of the congregation for five centuries, they have offered as an act of thanksgiving, the acceptance of a mission in Liberia, Africa, among God's most destitute and poorest children.

The sisters follow the rule of St. Francis and to aid them in their sublime vocation they have the example of their Seraphic Father to follow. The congregation has a two-fold purpose, the glory of God and sanctification of its members through the Faithful observance of the three simple vows of poverty, chastity and obedience.

The gard of the sisters is a brown habit, a scapular, white coif collar and a black veil. A white cord or cincture with the characteristic Franciscan three knots is worn on the right side; a Franciscan crown or rosary is fastened to the left side of the cincture; a small crucifix is worn on the breast. To be ever mindful of their everlasting espousal to our Lord Jesus Christ those who have made profession of perpetual vows wear a ring.

The religious training of the sisters includes six months of postulancy, after which the candidáte, if judged suitable by her superiors, receives the religious habit. With the reception of the habit begins the period of five years when she makes perpetual vows.

If the applicant is a trained nurse, teacher or office worker, she will likely be assigned to the duties for which she has been trained. If she enters after the completion of high school she will be given an opportunity to complete the necessary training for any duty for which she may have a natural aptitude. This will include the obtaining of the necessary college or university degrees. For those who wish to enter during their tender high school years, the Community has a special high school for the training of these young aspirants. Here the young girls have the advantage of following a regular high school curriculum with all the modern extra-curricular-activities while at the same time living a life in common with girls who have the same desire of becoming a Bernardine Sister.

The Generalate is located at Maryview, Villanova, Pennsylvania.

HISTORY

of

St. John Vianney Parish

Rapidly expanding communities, overcrowded churches, parishes over-burdened by a lack of space and facilities brought about a momentous decision by The Most Reverend George W. Ahr, Bishop of the Diocese of Trenton in the year 1959. For in June of that year, five new parishes were to be established in our Diocese and the order went out to organize a new parish in Colonia to ease the tremendous pressure on the mother parish, St. Cecelia's. So it was that on June 2nd Father Radziwon was sent to Colonia to begin work in establishing the new parish.

With the tremendous incentive and drive and inspiration and know-how of Father John Wilus, pastor of St. Cecelia's, the work was begun. Father Radziwon took up his abode in the crowded rectory at St. Cecelia's. Quickly, with aid of prominent and very interested people of the area, with Charles Terzella, former trustee at St. Cecelia's, leading the charge plans were made to start Masses. With help and interest of Patrick Boylan, Superintendent of Schools of Woodbridge Township, in accord with our plans, School #20, Hoffman Boulevard was selected and permission granted to offer the Holy Sacrifice of the Mass on Sunday. In the meantime, a temporary rectory was purchased at 47 Glendale Road where the business of the parish was directed and daily Mass was offered.

Pioneer parishioners recall the first Mass in School #20 said by our Pastor with the assistance of the scholarly Father Pius Riffel, S.J., then a doctoral candidate in clinical psychology at Fordam University and a staff psychologist at St. Charles Guidance Clinic, Brooklyn, New York.

Another momentous and memorable decision was made when the name St. John Vianney was assigned, patron saint of parish priests, to be our parish patron saint.

What was thought to be a parish of some 1000 families turned out to be more than twice the size when a census was taken. We discovered that the boundaries of the Colonia parish embraced the greater part of Colonia, a portion of Edison Township and South Plainfield, which contains more than 2200 catholic families. This meant a complete change of plans.

First the Ushers Association, Choir, the St. Vincent de Paul, Holy Name and Altar-Rosary Societies were organized and nearly 1200 grammar and high school students began receiving religious instruction in four public schools each week with thirty lay teachers instructing. Nearly 500 children of St. John Vianney attend St. Cecelia's Parochial School.

About a year later, when the influx at Sunday Masses became too great, another school had to be selected to have more Masses. Consequently, School 22, in Lynn Oaks was chosen and permission granted by the Board of Education for three more Masses on Sundays. Priests from Shrub Oak in Peekskill, New York and later from St. Francis Xavier helped on weekends.

A five acre tract was purchased on Inman Avenue, west of the Garden State Parkway, which once was a part of the original MacKenzie-Stillman farm around the turn of the century. Plans were drawn up to build a church, school and rectory. Now a reality, the norman brick building is "L" shaped, one wing forming the church and the other a two and half story school of 24 classrooms. The nave of the church seats 1200 and the lower level contains a cafeteria, kit-

chen and heating plant. The rectory will accommodate three priests and has sufficient offices to take care of the business of a parish this size.

Despite the acute shortage of priests, help was sent by our Most Reverend Bishp. Father William J. Kokoszka, who has been a chaplain in the U. S. Navy for ten years arrived to take up his abode with us. Father Bill quickly adjusted himself to the life of a parish priest. His efforts on behalf of our youth are well-known to all of us.

We were permitted to undertake a drive to raise funds, in October of 1960, for our building project. We contracted the services of the Community Counseling Service of New York. The response of the men to the Memorial and General Phase Committees was phenomenal. Charles Terzella was chosen as General Chairman with John Belz as co-chairman. John Felz was selected as head of the Memorial Committee and Gene D'Alessandro as head of the General Phase. A goal of $350,000.00 was decided upon. In the Memorial Phase, lasting a week, $227,000.00 was realized. The second or General Phase went over with a bang. The entire parish responded with an unparalled enthusiasm. Up to the present time our drive has reached the sum of $622,000.00.

On May 28, 1961 the Right Reverend Charles McCorristin, Dean of Middlesex County and Pastor of St. James Church, Woodbridge turned over the first shovel full of earth in the Ground-Breaking Ceremonies while over 300 persons looked on. He was assisted by Father Radziwon, Father Kokoszka, Father Riffel and church trustees, Charles Terzella and John Belz.

Early in June of 1961, Father Kokoszka, our first parish assistant, left us, but on a happy note. He was assigned to organize a parish at Marlton, New Jersey under the patronage of St. Joan of Arc. Our prayers and good wishes went with him. He was replaced by Father Edward D. Strano, former assistant at Sacred Heart, Mt. Holly, New Jersey. With priestly zeal and energy, Father Strano quickly expanded our youth program and within a few months had developed a C.Y.O. which embraced all youth and all activities. He was helped in these efforts by an energetic Advisory Board and a large group of leaders and chaperones.

So it was that we moved into the year 1962 was a realization that we would see the completion of our building project. Frequent visits to the building site made us realize how much work, how much detail was involved in such a project.

In June of 1962 another change was made in our parish. Our Bishop transferred Father Strano to St. Anthony's in Trenton and sent us the former assistant at St. Anthony's, Father Francis F. Daily. It is our sincere opinion that Father Daily, who hails from Boston, Mass., will endear himself into our hearts and carry on to the fullest the work of the priesthood.

At the instant of this writing we have abandoned our old rectory on Glendale Road which has served us so well for three years and moved into the new home on Inman Avenue. From our windows we can see the work on the church and school coming to an end. But this is only the beginning.

For today, August 19, we are dedicating a new parish, new buildings, a new location. Our school will throw open its doors for approximately 400 children embracing three grades. The wonderful Bernardine Sisters of the Stamford Province will staff our school under the aegis and leadership of Reverend Mother Chrysostom, Mother General and Mother Albensia, Mother Provincial. We consider ourselves fortunate indeed to have these sisters with us.

And beginning today, August 19, 1962, we shall welcome as our Permanent Guest, our Lord in the Blessed Sacrament. For three years we were unable to welcome Him as a parish only at Mass. But from this day on we shall look to our own building and know that Christ will be with us always, ever Watchful, ever Hopeful that His people will visit Him and thank Him for the many favors bestowed upon us.

OUR SOCIETIES

USHERS ASSOCIATION

The first organization to be organized almost at the inception of our parish. Gene D'Allesandro has been our major domo ever since its beginning ably assisted by Joseph Fus and Vincent Froelich and over sixty sacrificing men. Perfect order in seating and collections have been the mainstay of this group. Under the directorship of Robert Anderson, a group of men have been counting our collections every Sunday. A very worthwhile and very necessary adjunct of any parish.

James Brennan has been in charge of keeping order in the parking lots. This is and has been a thankless job, but Jim surrounded by a group of equally capable and affable men carries out this job in fine fashion.

ST. VINCENT dePAUL SOCIETY

The quiet and efficient way the members of our St. Vincent de Paul Society tends to the temporary needs of our less fortunate parishioners cannot be accurately evaluated.

While the great majority of the assistance rendered is of a material nature, it must be kept in mind that all efforts are directed toward spiritual ends, the primary object of the Society. The society was founded for the spiritual and material needs of the poor by Frederick Ozanam and his companions in Parish, of its growth and expansion throughout France, into all parts of the world and into our own parish of St. John Vianney. Prayers are offered at each meeting for those who need assistance and consolation. Through enrollment in a Purgatorial Society deceased parishioners are remembered even after death. Prayers are also offered for all benefactors of the Society so that those who support this charitable work merit grace.

The work done by the members of the St. John Vianney Conference is unmeasurable since they work quietly and without fanfare. They are always at the beck-and-call of our pastor, Father Radziwon and their assignments are carried out with haste and unbounded energies.

HOLY NAME SOCIETY

Our Holy Name Society has been an asset to our parish since its beginnings. The first officers elected were George Emery, president; vice-presidents, John Felz and A. Leo Terzella; secretaries, Maurice Migliore and Charles Wich; Joseph Fennelly, treasurer; marshall, Robert Anderson; George Evans and John Paine, delegates. These men were in office since June 1959 thru 1960. Much had been accomplished thru their efforts and the officers who followed them in 1961 again increased the efficiency of this wonderful organization. Elected for 1961 were: Thomas McCann, Jr., president; Eugene Heiser and Andrew Horvath, vice-presidents; George Schwab and George Evans, secretaries; Charles Rusciano, treasurer; James Brennan, Marshall and Joseph Schleck and James McNichol, delegates.

The officers for 1962 are David Miller, president; Frederick Nowosad and George White, vice-presidents; Vito Sapienza and Stanley Stellmach, Secretaries; James McNichol, Treasurer; William Killgallin, marshall and Donald Hohl and Felix Saldutti, delegates. We are sure these men will continue in the true spirit of the Holy Name and by their energies and example draw others to a love for the name of Jesus.

ALTAR ROSARY SOCIETY

ALTAR-ROSARY SOCIETY

We doubt very much whether all the pages in this book would be able to contain the accomplishments of our Altar-Rosary Society. Suffice it to say, materially and spiritually, it has accomplished much for our parish.

When the society was organized in 1960 the officers chosen were: Mrs. Jane Doherty, president, Mrs. Mary Silance and Mrs. Mary Idell, vice presidents; Mrs. Mary Silance and Mrs. Mary Idell, vice presidents; Mrs. Mary Oan and Mrs. Margaret Custode secretaries and Mrs. Dorothy McCartin, Treasurer.

Elected to office for 1961 were: Mrs. Jean Cihak, president; Mrs. Margaret Custode and Mrs. Madeline Heiser, vice presidents; Mrs. Mary Nolan and Mrs. Marion Castellano, secretaries and Mrs. Sophie Hilarcyck, treasurer.

The 1962 slate consists of Mrs. Eleanor Loomis, president; Mrs. Marilyn Placietella and Mrs. Nancy Cairns, vice presidents; Mrs. Alice Renz and Mrs. Margaret Parks, secretaries and Mrs. Igna Coholan, treasurer. All the officers were and are aided by energetic chairmen and prefects.

CHRISTIAN FAMILY MOVEMENT

We are indeed fortunate to have such an exemplary C.F.M. unit in our parish and one of few in the Diocese of Trenton. The movement seeks to promote happier family life and increase the spiritual level by bringing Christ into the home itself, the neighborhood and the community. C.F.M. was organized in the mid-west about 1940 and is comparatively new in the east. It consists of couples in the parish who meet once a month. The meetings are informal and topics of discussion are varied, both spiritual and social. They are under the guidance of a chaplain who acts under the direction of the pastor. Since, C.F.M. is a lay movement a lead couple is selected. Mr. and Mrs. Edwin McAdam and Mr. and Mrs. Andrew Horvath are past lead couples here at St. John Vianney and presently Mr. and Mrs. Felix Saldutti are directing the movement in the parish.

The couples perform any social actions throughout the year. They entertain the orphans at St. Peter's Orphange in Newark on Sundays and at an Annual Family Picnic. This past year they have entertained married foreign exchange students from Rutgers University in their homes.

ST. JOHN VIANNEY CHOIR

In September of 1959, the St. John Vianney Choir was formed under the direction of our talented pastor, Father Radziwon, assisted by Mrs. Elizabeth Lang, organist. Our choir has increased in size and stature and we are truly proud of their accomplishments and have enjoyed their magnificent voices in representing the people at the Holy Sacrifice of the Mass. Among many invitations, they have had the honor and privilege of singing for the Benediction ceremonies celebrated by His Excellency, George W. Ahr at the Middlesex County Holy Name Rally, participated in the solemn opening of our Building Fund Campaign and accompanied Father Radziwon on the annual trip to St. Peter's Orphange in Newark during the Christmas season. They, too, have had the pioneer spirit when singing at times under very trying circumstances.

Mrs. Christine Urban, organist, has directed our choir during the past season and whose ability has been noted on this Dedication Day as the voices of our choir echo throughout St. John Vianney Church.

ALTAR BOYS SOCIETY

Our altar boys are looking forward to the expansion of their duties with the opening of our new church. During the last three years, these boys have served our priests with sincerity and devotion at Mass whether it was at the Rectory, School #20 or #22, Convent or at the Junior High School. Presently, this society is divided into two groups, those of high school age, serving the Sunday Masses and those in grammar school fulfilling Mass assignments for weekdays. Both groups are assigned for special services including weddings, funerals, Holy Days and processions. A special note of thanks to our seminarians who assisted on the summer schedule.

The altar boys are closely associated with the priest in carrying out sacred functions and the candidates for the altar are chosen from those boys who have exhibited signs of sound spirituality, good moral conduct, passing grades in school, frequent reception of the sacraments and over all affiliation with the Church. For several months the candidates receive intensive training in altar latin and ceremonies from our priests.

HIGH SCHOOL OF RELIGION

In 1959, we commenced instruction in religion for our Public High School students. It was a small beginning, however, when Father Strano arrived an attempt was made to enroll and teach all students attending the public high. Its success can be measured from the fact that of the 460 students attending public high schools from our parish, approximately 350 attended instructions every Wednesday evening at the Colonia Junior High School. Every third Sunday of the month was designated as Youth Communion Sunday. An average of over 200 received Holy Communion every month. All this would not have been possible without the help of many wonderful people, fourteen teachers, numerous chaperones at the dances following the instructions, headed by Mr. and Mrs. Steven Rastocny and Andrew McClellan, Social Chairmen. We are hopeful that the present spirit and interest in our youth will continue for we feel that the teen-agers of the parish should stay close to the church, not through fear of punishment, but because of a love for their faith and their parish.

CATECHISM INSTRUCTION

Despite the fact that our parish did not have buildings of its own, we have been able to have under religious instructions every Saturday over 1100 children. This was made possible by the remarkable cooperation of the School Board and the Superintendent of Schools and his staff, since we were permitted to use four schools every Saturday. The instructions were given by our 35 ladies and gentlemen of the parish, gratis and a magnificent job they did. From 800 children in 1959 to our 1100 in 1962. May God bless and help all those involved in the most important training of all.

THE CATHOLIC YOUTH ORGANIZATION

In September of 1960 a program for the youth of our parish was initiated by Father Kokoszka with the formation of a C.Y.O. unit. This was further implemented and its efficiency increased by the advent of Father Strano. There were high school and grammar school basketball leagues, football leagues, bowling leagues for the High School and grammar school. Our priests were aided by an energetic advisory board consisting of George Wolters, president; John Belz, treasurer and cultural chairman and John Felz, spiritual chairman, William Burns, social chairman; Cal Donnelly, athletic chairman and Fred Geoffrey, secretary. A great group of women and men acted as coaches and chaperones. Truly a remarkable organization.

A TRIBUTE

TO THOSE WHO HAVE . . .
Generously completed payments toward our campaign to build St. John Vianney . . . we are most grateful! All these buildings will always remain as a tribute to your outstanding generosity. In addition, this demonstration of Catholic action on your part stands as a shining example to others.

TO THOSE WHO ARE . . .
regularly and faithfully continuing payments after willingly and generously accepting their share of the building program . . . we are indebted. The children who will be trained and those who will worship here shall always remember with prayerful gratitude your tangible endorsement of our project.

TO THOSE WHO WILL . . .
continue with their payments, but have lapsed temporarily for one reason or another . . . we offer our complete understanding! Personal financial problems and unexpected medical bills are bound to alter the most sincere intentions. We are confident, however, that those who accepted their share of the construction cost, will resume where they left off and go right through to the completion of their pledges.

To Father Radziwon . . .

In humble and sincere admiration of your courage and priestly zeal, I welcome this opportunity to congratulate you and the parishioners of St. John Vianney Parish on your successful efforts in constructing another altar on which His Sacrifice will be offered and erecting another Tabernacle in which He will reign and before which you and yours will kneel and adore.
